The Ultimate Food & Wine Pairing Challenge

The Ultimate Food & Wine Pairing Challenge is a never-to-be forgotten experience. Designed to develop **R**elationships, create **A**ccess, activate **R**esponse, and focus on **E**mpowerment, this incredible dining adventure is available only through Affairs of the Vine.

The Ultimate Food & Wine Pairing Challenge is *An Evening of Exploration...A Discovery of Wonderful Wine and Food*. An interactive wine pairing dinner that creates excitement, laughter and discussion...this is a unique event that is sure to please.

As your guests enjoy *An Evening of Exploration... A Discovery of Wonderful Wine and Food*, your guests will have an ideal opportunity to solidify and strengthen relationships.

Here's how it works: two wine experts will pair wines with a multi-course dinner. The challengers will have no previous knowledge of the menu and will have 3 minutes to select the wine that best matches the flavors of that course as it comes out of the kitchen. The selection of each expert will be poured with each course.

The wine experts will direct the guests through the pairing and explain why each wine was selected.

And the winner is...

Who will decide the winner?

YOUR GUESTS WILL!

Affairs of the Vine's friendly, expert staff educate without intimidation.

As your guests are wined and dined throughout the evening, the wine educators from Affairs of the Vine will guide the group. Your guests will decide the winner of each course. We can guarantee an evening of great dining and fabulous wines.
